

## Our work together:

**Connect**—We'll build a network of people who protect and affect water in your area.

| Host community responsibilities  | MHC/Partner responsibilities  |
|--|---|
| <ul style="list-style-type: none"> <li>• Develop a group of partners and collaborators who protect and affect water in your area</li> <li>• Participate in trainings and ongoing support</li> <li>• Share information with evaluation consultants about relationships and network change</li> <li>• Optional: Co-plan a community or partner meeting to help define community goals</li> </ul> | <ul style="list-style-type: none"> <li>• Provide training and capacity building through an orientation retreat, coaching calls (monthly), site visits (as needed), capacity building webinars (3), and a tour launch retreat</li> <li>• Share connections and opportunities with host site cohort</li> <li>• Contract with outside evaluators to help measure relationship and network change</li> <li>• Optional: Co-plan a community or partner meeting to help define community goals</li> </ul> |

**Engage**—We'll create community engagement activities and public events that build relationships and responsibilities to water and complement your community goals.

| Host community responsibilities   | MHC/Partner responsibilities  |
|---|---|
| <ul style="list-style-type: none"> <li>• Develop at least four public events that build relationships with and responsibilities to water which can be before, during, or after the exhibit is in your area</li> <li>• Track attendance data and any other reporting needs for evaluators</li> <li>• Publicize events through print pieces, website, and social media</li> </ul> | <ul style="list-style-type: none"> <li>• Host one or two public events in each host site community</li> <li>• Assist in publicizing events through print pieces, website, and social media</li> </ul> |

**Educate**—We'll share personal narratives, historical content, and scientific information about water in Minnesota and in host communities.

| Host community responsibilities   | MHC/Partner responsibilities  |
|---|---|
| <ul style="list-style-type: none"> <li>• Assist state partners in developing host site-specific content</li> <li>• Host exhibit in a manner consistent with host site agreement</li> <li>• Publicize exhibit visit</li> <li>• Track attendance data and any other reporting needs for evaluators</li> </ul> | <ul style="list-style-type: none"> <li>• Gather host site-specific content (audio interviews, inspiration stories, local water panel) in partnership with host sites</li> <li>• Transport and set up the exhibit</li> <li>• Assist in publicizing exhibit tour</li> <li>• Maintain Digital Resources</li> </ul> |
