Cultural Identity and Heritage: Ethnic Media
February 17, 2026**

OVERVIEW

The Minnesota Humanities Center (MHC), a non-profit organization, strives to create a more just society that is curious, connected, and compassionate by increasing the collective understanding of ourselves, our communities, and our histories through stories and experiences.

In 2008, Minnesota's voters passed the Clean Water, Land and Legacy Amendment (Legacy Amendment) to the Minnesota Constitution to: protect drinking water sources; to protect, enhance, and restore wetlands, prairies, forests, fish, game, and wildlife habitat; to preserve arts and cultural heritage; to support parks and trails; and to protect, enhance, and restore lakes, rivers, streams, and groundwater.

The Legacy Amendment increases the state sales tax by three-eighths of one percent, beginning on July 1, 2009, and continuing until 2034. The additional sales tax revenue is distributed into four funds as follows: 33 percent to the clean water fund; 33 percent to the outdoor heritage fund; 19.75 percent to the arts and cultural heritage fund; and 14.25 percent to the parks and trails fund.

Individuals and organizations that receive Legacy Funding are generally expected to:

- Amplify arts, culture, and heritage in Minnesota;
- Increase the depth and breadth of people in Minnesota who will connect with arts, culture, and heritage; and
- Provide opportunities for individuals in Minnesota to enjoy arts and culture for free or at reduced cost to allow access for economically disadvantaged individuals and families in Minnesota to attend Legacy programs.

Minnesota Legislation

During the Minnesota Legislative session that ended in 2025, the Minnesota Legislature appropriated \$472,500 to the Minnesota Humanities Center (MHC) from the Legacy Fund to administer Community Identity & Heritage, Ethnic Media grants. These grants will be awarded to ethnic media organizations throughout Minnesota to create video content in a language other than English.

In providing this funding, the Legislature is seeking to fund grantees that will work to create, celebrate, and teach the art, culture, and heritage of the many diverse cultural groups that make up Minnesota, including but not limited to Indigenous organizations, communities whose culture and heritage have been historically underrepresented, recent immigrant communities, and veterans.

Funding Availability

MHC will award \$472,500 in Community Identity & Heritage, Ethnic Media grants.

Projects must be completed no later than May 31, 2027, with final reporting due June 30, 2027.

Applicants may request any amount of funding up to \$75,000.

Media content must be illustrative and may include, but is not limited to, the development and production of video content, such as documentary films, documentary film series, and digital and social media content, that engages general audiences with humanities in Minnesota.

Legacy funding may only be used for new work or new additions to existing work. Funding must supplement and not substitute existing funding sources or be used as reimbursement of expenses for existing projects.

An organization is eligible to receive grant funding if they are in good standing with the Internal Revenue Service (IRS) and MHC. An organization is in good standing with the IRS when they have completed all IRS reporting requirements and can receive tax-deductible charitable contributions.

An organization is in good standing with MHC unless they have a history of untimely or inaccurate financial or program reports or an open grant beyond its closure date. If you are unsure whether you are in good standing with MHC, please contact us at grants@mnhum.org. MHC may grant an eligibility exemption to an organization if the applicant uses a fiscal agent.

Additional financial information may be requested based on review and assessment of application submitted.

MHC reserves the right to request additional financial information from an applicant.

FINANCIAL INFORMATION

Legacy Funding Limitations

The Legacy Amendment prohibits funds from being used to:

- Cover costs incurred before the grant agreement is fully signed,
- Start, match, add, or complete any type of capital campaign,
- Support capital costs (such as improvements, construction, property, or equipment),
- Support benefits and fundraisers,
- Purchase promotional giveaway items such as t-shirts, keychains,
- Fund out-of-state expenses, such as out-of-state travel and lodging and contractor expenses,
- Pay for indirect costs or overhead charges not directly related to the activities outlined in the project proposal,

- Wages, salary, and benefits of staff for the time that such individuals are not working on the project, and
- Cash/Gift card payments.

Grant Payments

Applicants will be asked in their application to identify whether they wish to receive funding through Reimbursement or Advance. An applicant awarded a grant is referred to as Grantee. Under Reimbursement, the grantee receives reimbursement after incurring the expenses and submitting documentation to MHC that the expenses have been incurred. Under Advance, the grantee receives funding prior to incurring expenses. Advances are available on the following schedule:

- If the grant is \$10,000 or less, the maximum available advance is 75%
- If the grant is at least \$10,000 and less than \$49,999, the maximum available advance is 50%
- If the grant is \$50,000 or more, the maximum available advance is 25%

Factors such as history of late reports, prior poor performance, and financial risk will be considered in determining Advance eligibility.

MHC is required to hold ten (10%) percent of a grantee's award until all reporting requirements have been met. Grant funds are not available until the grant Agreement has been signed by MHC and the grantee.

If Advance funding has been requested, the first Advance payment will be made within 25 business days of MHC receiving a W9 and/or ACH form. No payments will be made if the grantee has a past due progress report.

Your last payment under the terms of the Grant Agreement, ten (10) percent of your grant, will be sent once reconciliation has been completed and your final report has been reviewed by MHC.

Document Retention

Minnesota law requires all grantees to maintain their books, records, documents, and accounting procedures and practices relevant to their grant for examination by the Minnesota Legislative auditor or Minnesota state auditor for a minimum of six (6) years from the grant agreement end date or the state retention requirements, whichever is later.
