Minnesota Humanities Center Announces Grant Opportunity for Ethnic Media Organizations

For Immediate Release

February 17, 2026—ST. PAUL, MN— The Minnesota Humanities Center (MHC) announces a new grant opportunity for Ethnic Media organizations through the Clean Water, Land and Legacy Amendment.

These grants, consistent with legislative intent, will support media organizations in the creation of illustrative video content in a language other than English. The organizations can request up to \$75,000 in funding and must engage general audiences with the humanities throughout the state of Minnesota.

The Minnesota Legislature appropriated \$472,500 to MHC from the Legacy Fund to administer these grants through a competitive application process to Ethnic Media organizations. MHC will accept grant applications through March 16, 2026.

“We are grateful to the Minnesota legislature for providing this new funding opportunity for Ethnic Media organizations,” MHC CEO Kevin Lindsey said, “these organizations are lifting up the many rich cultures and languages within our state and are providing essential news and information to community groups all across Minnesota.”

About Clean Water Land & Legacy Amendment

The Minnesota Legislature passed the Clean Water, Land and Legacy Amendment (Legacy Amendment) in 2008 to ensure clean water, preserve opportunities for Minnesotans to enjoy nature, parks, and trails, and to appreciate arts and culture that exists within the State. The Legacy Amendment increases the state sales tax by three-eighths of one percent to create the Legacy Fund – 19.75% of the Legacy Fund is dedicated to the arts and cultural heritage fund.
