

REQUEST FOR PROPOSALS (RFP) **Underrepresented Cultural Studies Materials (FY27)**

July 30, 2026

Overview

The Minnesota Humanities Center (MHC), a non-profit organization, strives to create a more just society that is curious, connected, and compassionate by increasing the collective understanding of ourselves, our communities, and our histories through stories and experiences.

In 2008, Minnesota's voters passed the Clean Water, Land and Legacy Amendment (Legacy Amendment) to the Minnesota Constitution to: protect drinking water sources; to protect, enhance, and restore wetlands, prairies, forests, fish, game, and wildlife habitat; to preserve arts and cultural heritage; to support parks and trails; and to protect, enhance, and restore lakes, rivers, streams, and groundwater.

The Legacy Amendment increases the state sales tax by three-eighths of one percent, beginning on July 1, 2009, continuing until 2034, and creates four funds. The additional sales tax revenue is distributed into the four funds as follows: 33 percent to the clean water fund; 33 percent to the outdoor heritage fund; 19.75 percent to the arts and cultural heritage fund; and 14.25 percent to the parks and trails fund.

Individuals and organizations that receive funding from the arts and culture heritage fund are generally expected to:

- Amplify arts, culture, and heritage in Minnesota,
- Increase the depth and breadth of Minnesota who will connect with arts, culture, and heritage, and
- Provide opportunities for individuals in Minnesota to enjoy arts and culture for free or at reduced cost to allow access for economically disadvantaged individuals and families in Minnesota to attend Legacy programs.

Minnesota Legislation

During the Minnesota Legislative session that ended in 2025, the Minnesota Legislature appropriated \$400,000 to MHC from the Legacy Fund for design, award, and monitoring of the grant program, to administer Underrepresented Cultural Studies Materials, to individuals and organizations, in Minnesota.

The Legislature in providing this funding is seeking to fund individuals and organizations that will work to develop high-quality academic, cultural, and ethnic studies materials for communities that do not have adequate cultural and ethnic studies materials, or who are underrepresented in those materials. These materials must support Minnesota K-12 students from underrepresented communities without a formal writing system that is primarily orally based. These communities include but are not limited to Hmong, Karen, Somali, and Oromo cultures.

The legislation further provides that projects awarded under this grant must work with school districts that intend to use the materials.

Applicants will be required to provide a letter of support for the project from a Minnesota licensed teacher(s) or school district official(s).

Funding Availability

MHC will award \$400,000 (less allowable administrative fee) in Underrepresented Cultural Studies grants.

Funding for this grant line will be available for the following grant period: November 1, 2026, to November 30, 2027.

You may request any amount of funding up to \$125,000.

School districts are not eligible to apply.

Legacy funding may only be used for new work or new additions to existing work. Funding must supplement and not substitute existing funding sources or be used as reimbursement of expenses for existing projects.

Financial Information

Legacy Funding Limitations

Legacy prohibits funds from being used to:

- Cover costs incurred before the grant agreement is fully signed,
- Start, match, add, or complete any type of capital campaign,
- Support capital costs (such as improvements, construction, property, or equipment),

- Support benefits and fundraisers,
- Purchase promotional giveaway items such as t-shirts, keychains,
- Fund out-of-state expenses, such as out-of-state travel and lodging and contractor expenses,

Grant Payments

Applicants will be asked in their application to identify whether they wish to receive funding through Reimbursement or Advance. An applicant awarded a grant is referred to as Grantee. Under Reimbursement, the grantee receives reimbursement after incurring the expenses and submitting documentation to MHC that the expenses have been incurred. Under Advance, the grantee receives funding prior to incurring expenses. Advances are available on the following schedule:

- If the grant is \$10,000 or less, the maximum available advance is 75%
- If the grant is at least \$10,000 and less than \$49,999, the maximum available advance is 50%
- If the grant is \$50,000 or more, the maximum available advance is 25%

Factors such as history of late reports, prior poor performance, and financial risk will be considered in determining Advance eligibility.

MHC is required to hold ten (10%) percent of a grantee's award until all reporting requirements have been met. Grant funds are not available until the grant Agreement has been signed by MHC and the grantee.

If Advance has been requested, the first Advance payment will be made within 25 business days of MHC receiving a W9 and/or ACH form. No payments will be made if the grantee has a past due progress report.
